

# REPORT TO DEVELOPMENT OVERSIGHT COMMISSION City of Sacramento

Staff Report  
**April 15, 2009**

Honorable Members of the  
Development Oversight Commission

**Title:** Amending City Code relating to the Construction Code Board of Appeals

**Location/Council District:** Citywide

**Recommendation:** Review and comment on an **Ordinance** amending Title 2 of the City Code relating to the consolidation of the Electrical Code Advisory and Appeals Board, Building and Fire Code Advisory and Appeals Board, and the Mechanical and Plumbing Code Advisory and Appeals Board into the Construction Code Board of Appeals.

**Contact:** Carl Hefner, Interim Chief Building Official, (916) 808-8779; Ed Short, Supervising Engineer, (916) 808-8859

**Presenters:** Carl Hefner, Interim Chief Building Official

**Department:** Development Services

**Division:** Building

**Organization No:** 21001211

## **Description/Analysis**

**Issue:** On July 18, 2006, Council adopted Ordinances 2006-041, 042, and 043 creating the Electrical Code Advisory and Appeals Board, the Building and Fire Code Advisory and Appeals Board, and the Mechanical and Plumbing Code Advisory and Appeals Board. Prior to the formation of the three boards there was only one, the Construction Code Advisory and Appeal Board. The intent was to have each board specialize in a more focused area of discipline allowing for easier and faster issue resolution, with members of each board being qualified to serve based on their experience in particular disciplines. Since their creation, however, the boards have met very infrequently, with meetings often being cancelled. As the Development Services Department is making efforts to streamline, consolidate, and identify efficiencies where possible, staff recommends the three specialty boards consolidated into one, creating the Construction Code Board of Appeals.

**Policy Considerations:** Consolidating the separate specialty appeals boards is consistent with the City's efforts to streamline processes and identify efficiencies. It is also consistent with the Development Services Department's strategic focus area "streamline the process".

**Committee/Commission Action:** The Law and Legislation Committee is scheduled to hear this item on May 5, 2009.

**Environmental Considerations:**

**California Environmental Quality Act (CEQA):** Under the California Environmental Quality Act (CEQA) Guidelines section 15061(b)(3), an activity is exempt from CEQA when it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. The proposed ordinance relates to continuing administrative activities relating to the consolidation of hearing bodies. It can be seen with certainty that the proposed ordinance will not itself have a significant effect on the environment and, therefore, is not subject to CEQA review.

**Sustainability Considerations:** There are no sustainability considerations associated with the consolidation of the specialty appeals boards.

**Rationale for Recommendation:** Consolidating the three specialty appeals boards into one will reduce staff time and resources required to support three separate boards. It will also reduce difficulty in recruiting and filling multiple board positions.

**Financial Considerations:** The proposed Ordinance amendment will not impact the General Fund. Additionally, there are potential savings associated with reduced staff time and material resources by having only one board.

**Emerging Small Business Development (ESBD):** There are no goods or services being purchased under this report.

Respectfully Submitted by:   
Carl Hefner  
Interim Chief Building Official
