The Design Review and Preservation Board is a board of the City Council with review and approval authority. Its purpose is to review design plans for new buildings and for modifications to existing buildings in designated Design Review areas and on properties located within designated Historic Districts and Landmark properties. The Board also makes recommendations to the City Council on Landmark and Historic District nominations to the Sacramento Register.

Meeting facilities are accessible to persons with disabilities. If you require special assistance to participate in the meeting, notify the Development Services Department at (916) 808 - 8733 at least 48 hours prior to the meeting.
