To Whom It May Concern:

Attached please find a petition signed by the property owners who live near the proposed Delta Shores Planned Unit Development and who are opposed to this development.

We kindly request that you take our opinion into consideration as you consider this proposal. We believe strongly that the proposed development will negatively impact the environment and the quality of life in our neighborhood.

Sincerely,

Valentina Megrikyan

We, the undersigned owners of property located within 1000 feet of the proposed Delta Shores project, hereby express our opposition to the development of a 782 acre master planned community within the Delta Shores Planned Unit Development (PUD). In particular, we are opposed to the proposed 1.3 million square feet for retail uses.
