Staff requests to revise advisory comment eight from the Parks Department so that it reads as follows:

As per City Code, the applicant will be responsible to meet his/her obligations regarding Title 18, 18.44 Park Development Impact Fee, due at the time of issuance of building permit. The Park Development Impact Fee due for this project is estimated at \$3925.30. This is based on 11,545 square feet at the commercial rate of \$.34 per square foot. Any change in these factors will change the amount of the PIF due. The fee is calculated using factors at the time that the project is submitted for building permit.
