STAFF REPORT
September 05, 2007

Members of the Preservation Commission:

**Subject: Commission Policy Issues Follow-Up Log & Discussion Schedule
(M07-067)**

- A. Review and provide direction on both the policy issues follow-up log items and proposed schedule for Commission discussion of the items.

Recommendation: Receive and provide direction.

Contact: Roberta Deering, Senior Planner for Historic Preservation (916) 808-8259

Summary: Per the Preservation Commission's request there will be an on-going log of Policy Issues that the Commission and Staff have suggested for the Commission's consideration, along with a proposed schedule for the Commission's discussion on these issues. The Commission shall direct Staff as to the items to retain in the log and for the proposed discussion schedule.
