Round One of the Historic Places Grants

The deadline for Round One of the Historic Places Grant program was November 2, 2007. The Historic Places Grant Program will award \$250,000 in grants to historic properties throughout the City of Sacramento in four rounds. In each round, \$62,500 in grants of between \$1,000 and \$25,000 will be awarded, and require a 1:1 match. By the Round One deadline, 15 applications were received, representing grant requests of \$251,931, with project costs totaling \$825,224. The Sacramento Heritage Board will review and decide on the Round One grant awards by the end of November.

Round Two will begin in February, 2008.
