**Project Name:** Two Family Green Victorian (PB09-052)

**Subject:** Support Letters from Neighborhood Groups

28 October 2009

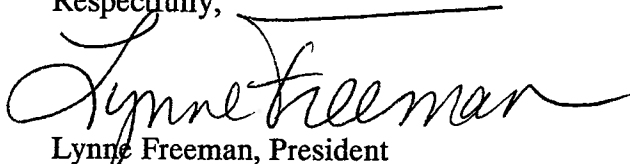

Dear Members of the City Preservation Commission,

This letter is to express support from the Capitol Area R Street Neighborhood Association (caRsa) for the "Two Family Green Victorian (PB09-052) at 1017-1019 S Street in Sacramento.

CARSA had the opportunity to view the plans for this project last night and feel this is a wonderful use of new technology with our historic housing downtown. This project will be an example to others who want to green and renovate our beautiful older homes in Sacramento.

We urge you to approve these plans.

Respectfully,

A handwritten signature in cursive script that reads "Lynne Freeman". A horizontal line is drawn above the signature, extending from the left margin towards the center of the page.

Lynne Freeman, President  
Capitol Area R Street Neighborhood Association

re: PB090052

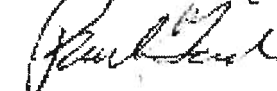

1017-1019 S Street Green Victorian Rehab  
letter of support

To whom it may concern,

Southside Park Neighborhood Association invited Greg & Samantha Taylor to our October 14 meeting to present and discuss their plans for their home at 1017-1019 S Street. They graciously accepted and gave a thorough presentation. We had about 16 neighborhood residents in attendance, which is a fairly good turnout for us. Reception to the plans was entirely favorable. We appreciate:

- the attention to both historic preservation and environmental sustainability;
- that the front view of the historic home, viewed from S Street, is to remain largely intact;
- that the more modern additions are oriented toward the R Street corridor to the north;
- that they are paying attention to how the project will interface with the adjacent properties;
- that they are investing their time and financial resources in our neighborhood;
- that they intend to make this their long-term family home;
- and that they are engaging the community, as evidenced by their willingness to attend our meeting as well as their establishment of a blog regarding the project.

We forwarded the project application to our membership by email on September 15 and have had the application posted on our website since then, but have not received any other comments from our membership outside our October 14 meeting.

Paul Trudeau  
President & Secretary  
Southside Park Neighborhood Association
