TO: Interested Persons

SUBJECT: **NOTICE OF SUBSEQUENT PROJECT WITHIN THE SCOPE OF THE MASTER
ENVIRONMENTAL IMPACT REPORT FOR THE 2030 GENERAL PLAN**

PROJECT LOCATION: **Climate Action Plan**

COMMENT PERIOD: **30 days beginning 11/15/11 and ending 12/16/11**

The City of Sacramento, Department of Community Development, Environmental Planning Services has determined that the Climate Action Plan is a subsequent project within the scope of the Master EIR for the City of Sacramento 2030 General Plan, certified by the City as lead agency on March 3, 2009, and that no additional environmental review for the project is required. (CEQA Guidelines section 15177) The City has prepared an Initial Study for the project and has determined that the project would not result in any additional significant environmental effect not previously analyzed in the Master EIR. No new additional mitigation measures or alternatives are required.

A copy of the Initial Study is attached to this Notice. The Master EIR is available for review on the City's web site at <http://www.sacgp.org/MasterEIR.html>. The document is also available for review at the offices of the Community Development Department, 300 Richards Boulevard, Sacramento, California during public counter hours.

The City's Draft Climate Action Plan (CAP) articulates the City's intentions with respect to reducing community-wide GHG emissions in a manner consistent with AB 32. Throughout the Draft CAP, the City outlines strategies, implementation measures, and actions that would reduce GHG emissions from transportation and land use, energy consumption, water consumption, and solid waste sectors. Many of the actions contained within the CAP were derived from policies and programs already evaluated and adopted as part of the City's 2030 General Plan. A detailed project description is included in the attached Initial Study.

Comments regarding the project may be submitted to:

Scott Johnson, Associate Planner
City of Sacramento, Community Development Department
300 Richards Boulevard, Third Floor
Sacramento, CA 95811
Telephone: (916) 808-5842

Comments must be submitted no later than December 16, 2011 at 5:00 p.m.

CITY OF SACRAMENTO

EXECUTIVE SUMMARY:

INITIAL STUDY/SUBSEQUENT PROJECT WITHIN THE SCOPE OF THE MASTER EIR (2030 GENERAL PLAN)

CLIMATE ACTION PLAN

Comment Period: November 15, 2011 to December 16, 2011 (See attached Notice)

Lead Agency Contact: Scott Johnson, Associate Planner, 300 Richards Blvd., Third Floor, Sacramento, CA 95811. Telephone: (916) 808-5842.

Email: srjohnson@cityofsacramento.org

Project Location: The Climate Action Plan applies throughout the City of Sacramento.

Project Applicants: City of Sacramento

Project Description: The City's Draft Climate Action Plan (CAP) articulates the City's intentions with respect to reducing community-wide GHG emissions in a manner consistent with AB 32. Throughout the Draft CAP, the City outlines strategies, implementation measures, and actions that would reduce GHG emissions from transportation and land use, energy consumption, water consumption, and solid waste sectors. Many of the actions contained within the CAP were derived from policies and programs already evaluated and adopted as part of the City's 2030 General Plan. A detailed project description is included in the Initial Study.

Impacts and Mitigation: The Initial Study has concluded that the adoption and implementation of the Climate Action Plan would have no additional significant effects that were not identified and considered in the Master Environmental Impact Report prepared for the 2030 General Plan. The Sacramento City Council certified the Master EIR (SCH No. 2007072024) and adopted the 2030 General Plan in March 2009 (Resolution 2009-130). See CEQA Guidelines section 15177.

The Initial Study is available for review at
<http://www.cityofsacramento.org/dsd/planning/environmental-review/eirs/>.

The Master EIR is available for review on the City's web site at
<http://www.sacgp.org/MasterEIR.html>. The document is also available for review at the offices of the Community Development Department, 300 Richards Boulevard, Sacramento, California during public counter hours.
