January 3, 2012

TO: Interested Persons

FROM: Scott Johnson, Associate Planner

SUBJECT: **Notice of Availability/Intent to Adopt - Draft Mitigated Negative Declaration for the Roseville Road Bridge Replacement Project (T15068500)**

The City of Sacramento, Community Development Department, Environmental Planning Services has completed the preparation of a draft Mitigated Negative Declaration for the Roseville Road Bridge Replacement Project. Mitigation measures have been identified for air quality, biological resources, cultural resources, and transportation and circulation.

The document is now available for a 30-day public review and comment period. The comment period is from **Thursday, January 5, 2012 through Monday, February 6, 2012**. You may review a copy of the document at the 300 Richards Boulevard, 3rd Floor reception desk, Sacramento, CA 95811 between the hours of 9:00 AM and 4:00 PM, Monday through Friday. The draft Mitigated Negative Declaration may also be reviewed at: <http://www.cityofsacramento.org/dsd/planning/environmental-review/eirs/>

The Roseville Road Bridge over Arcade Creek is located along a two-lane segment of Roseville Road paralleled on the west by UPRR tracks and on the east by the Haggin Oaks Golf Complex. The project site is in the City of Sacramento, Sacramento County, approximately 0.5 mile north of Connie Drive and 0.33 mile east of Business 80 (Capital City Freeway). The proposed project would replace the two-lane bridge on Roseville Road over Arcade Creek with a new bridge that meets current design standards and is compatible with future improvements. The project would also include the addition of shoulders and sidewalks to the new bridge to accommodate existing and future bicycle traffic, and improvements to the road approaches on both sides of the bridge. The project is consistent with the 2030 General Plan Mobility Element.

Written comments regarding the Draft Mitigated Negative Declaration should be received by the Community Development Department, **NO LATER THAN 5:00 p.m., February, 6, 2012**. Written comments should be submitted to:
