

# Appendix

## Preservation Briefs

The National Park Service publishes a series of Preservation Briefs that provide more detailed information related to the treatment of materials, windows, doors and their components. Below is a full list of the briefs that are currently available. This list is constantly being updated and expanded. See the National Park Service web site for the most current information:

<http://www2.cr.nps.gov/tps/briefs/presbhom.htm>

01: Assessing Cleaning and Water-Repellent Treatments for Historic Masonry Buildings
