HOME OCCUPATION PERMIT REQUIREMENTS

(Title 17.224 of the Sacramento City Code)

If you plan to conduct a business out of a residence in the City of Sacramento, you must obtain a Home Occupation Permit. The application fee for the permit is \$175.00. A home occupation is a secondary use, not the primary use of the residence. The intent of regulating home occupations is to reduce the impact of the business on the surrounding neighborhood and to insure compliance with applicable City codes.

NOTE: If you do not live within the city limits of the City of Sacramento, you do not need a Home Occupation Permit from the City of Sacramento. If you obtain a permit and later find out that you do not live in the city, the \$175.00 fee will not be refunded.

Application Process:

Applications for a Home Occupation Permit can be submitted: 1) at the same time as your application for a City Business Operations Tax (BOT) at the City Revenue Division location in Room 1214 at City Hall, 915 I Street, Sacramento, CA 95814; or 2) at the Community Development Department, Planning Division, located at 300 Richards Blvd, Third Floor, Sacramento, CA 95811. The application fee for a Home Occupation Permit is \$175.00. The application fee is non-refundable. As part of the application you will sign a statement that indicates that you have read and understand the Home Occupation Permit regulations described in this handout. If you have any questions regarding whether or not you are eligible for a Home Occupation Permit, you are strongly advised to visit the Planning Division Office at 300 Richards Blvd., or contact Planning staff at 311 (City Operator) or via e-mail at planning@cityofsacramento.org .

Once you have submitted your application for a home occupation it will be reviewed by Planning Division staff. If approved, you will receive a Home Occupation Permit in the mail. This permit is good for as long as you keep your BOT current and operate the business at the location stated on the permit.
