AWARD SHALL BE BASED ON THE LOWEST RESPONSIVE AND RESPONSIBLE GRANT TOTAL BID

The undersigned agrees to sign and furnish said Agreement and furnish the necessary surety bonds and insurance certificates within ten (10) calendar days after receipt of the notice of award by the City and prior to the City Council award date. The City shall reimburse the Contractor the cost of Surety bonds should the City not award a contract.

The Contractor shall submit a schedule of values, as specified in the contract, for lump sum street light installation with this sealed bid proposal.

The Contractor shall begin work within fifteen (15) calendar days of the date on the Notice to Proceed.

The time limit for the completion of all items of work is THIRTY (30) working days, commencing on the date set forth in the written Notice to Proceed issued by the City to the Contractor. The Contractor shall pay a sum in the amount of NINE HUNDRED DOLLARS (\$900.00) as liquidated damages, and not as a penalty, for each calendar day delay after the expiration of THIRTY (30) working days.

In determining the amount bid by each bidder, City shall disregard mathematical errors in addition, subtraction, multiplication and division that appear obvious on the face of the Proposal. When such a mathematical error appears on the face of the Proposal, the City shall have the right to correct such error and to compute the total amount bid by said bidder on the basis of the corrected figure or figures.

When an item price is required to be set forth in the Proposal, and the total for the item set forth separately does not agree with a figure which is derived by multiplying the item price times the Engineer's estimate of the quantity of work to be performed for said item, the item price shall prevail over the sum set forth as the total for the item unless, in the sole discretion of the City, such a procedure would be inconsistent with the policy of the bidding procedure. The total paid for each such item of work shall be based upon the item price and not the total price. Should the Proposal contain only total price for the item and the item price is omitted, the City shall determine the item price by dividing the total price for the item by Engineer's estimate of the estimated quantities of work to be performed as items of work.

If the Proposal contains neither the item price nor the total price for the item, then it shall be deemed incomplete and the Proposal shall be disregarded.

The undersigned has examined the location of the proposed Work, the local conditions at the place where the Work is to be done, is familiar with the Contract Documents and is familiar and expressly agrees to the liquidated damages provision of the Contract Documents.

The undersigned has checked carefully all of the foregoing figures and understands that the City of Sacramento will not be responsible for any errors or omissions on the part of the undersigned in making up this Bid Proposal.

Enclosed is Bid Proposal Guarantee, as required, consisting of a bidder's bond or other acceptable security for not less than ten percent (10 %) of the amount Bid Proposal.

**SECTION 00840
MINORITY AND WOMEN'S BUSINESS ENTERPRISE
GUIDELINES FOR FEDERALLY FUNDED PROJECTS WITH
SUBCONTRACTING OPPORTUNITIES**

**Revised February 7, 2007
for use with the following IFB/RFQ/RFP only**

The Sacramento Housing and Redevelopment Agency ("SHRA" or "Agency") is a joint powers authority governed by the Sacramento City Council and Sacramento County Board of Supervisors. SHRA was established in 1973 to be the public developer for the City and County of Sacramento, using market forces to rebuild blighted neighborhoods, provide access to decent housing for low income residents, and to create opportunities for employment and self sufficiency. Additionally, SHRA is the local housing authority and maintains a substantial housing unit inventory and is involved in many public works projects throughout the county. All this activity creates many contracting opportunities for area businesses.

SHRA is committed to offering contracting opportunities to area firms. And as a major recipient of federal funds, the Agency further makes these opportunities available to businesses owned by low-income residents and minority or women owned businesses.

This guide is designed to help bidders/offerors and others conduct outreach to minority/women's business enterprises (M/WBE) as required by federal regulations. The Agency's commitment to this process also means that we are always available to help bidders/offerors and community members realize contracting opportunities. We may be contacted at the numbers above to answer questions and provide assistance.

I. M/WBE PROGRAM REQUIREMENTS

This project is subject to the Minority Business Enterprise ("MBE") and Women's Business Enterprise ("WBE") requirements under the U.S Department of Housing and Urban Development. Depending on the type of project and funding source, the specific federal requirements are found at 24 CFR 85.36(e) or at 24 CFR 84.44(b).

Bidders/offerors are to solicit quotes from M/WBE sub-trades for any subcontracting opportunity. This can be achieved by advertising in a daily or weekly newspaper / trade magazine of general circulation; or, by notifying the M/WBE sub-trades directly. The Agency's M/WBE program is designed to help bidders/offerors meet M/WBE requirements and is modified periodically to increase usefulness in response to local and national objectives.

II. CERTIFICATION

A MBE or WBE designated in the bid/offer must, upon request, certify that the firm is owned and controlled by a woman or women or a member of a minority group or groups. The Agency can provide a declaration statement that meets our certification requirements. A firm may also complete a Vendor Application to certify. Any firm interested in participating in the SHRA Outreach List may do so by completing a Vendor Application available from Procurement Services.

III. DEMONSTRATING GOOD FAITH EFFORTS

SEE ATTACHED

These Guidelines include forms to be used by each bidder/offeror to demonstrate program compliance. Bidders/offerors must demonstrate their efforts to comply with M/WBE requirements by submitting all supporting documentation with the bid/offer, or the bid/offer will be considered non-responsive.

A completed Section 00840.1 M/WBE Outreach Contact Log and Section 00840.2 Questionnaire must be submitted with the bid/offer. The bidder/offeror has the responsibility of demonstrating that its efforts meet the M/WBE program requirements as stated above.

- A. **SHRA Outreach List.** The Agency will provide a project specific list of vendors, contractors and suppliers that include M/WBE firms. Printed mailing labels are also available. Bidders/offerors may utilize additional outreach sources to assist with their efforts to satisfy M/WBE requirements.
- B. Complete Section 00840-1, **M/WBE Outreach Contact Log**, to record results of your efforts to contact M/WBE sub-contractors and to identify any M/WBE sub-contractors and materials suppliers being utilized on your project. Submit the M/WBE Outreach Contact Log with the bid/offer. *If no subcontracting opportunities exist, indicate "No subcontracting. All work to be completed by bidder/offeror."
- C. **Outreach Questionnaire.** Provide the completed M/WBE Outreach Questionnaire (Section 00840-2) with the bid/offer.

Such records shall show the name and business address of every M/WBE subcontractor or vendor/supplier and the total dollar amount actually paid to each M/WBE firm.

Upon completion of the contract, a summary of these records shall be prepared, certified correct by the contractor or authorized representative and, upon request, furnished to the Agency.

- B. **Reporting Requirements and Sanctions.** Failure to provide specific information, records, reports, certifications, or any other documents required for compliance with these specifications shall be considered noncompliance with the contract.
- C. **Subcontracting.** No substitution of subcontractor, whether M/WBE or otherwise, shall be made at any time without the written consent of the Agency. If a subcontractor is unable to perform successfully and is to be replaced, the contractor will be required to make good faith efforts to replace the original subcontractor.

PLACER

SECTION 00841-1

Compliance with: Executive Order 11246 and Section 3 of the HUD Act of 1968.

This contract is subject to Executive Order 11246, as amended, related to affirmative action in construction for all contracts exceeding \$10,000; and, is subject to Section 3 of the HUD Act of 1968, as amended, related to economic development, including employment. Both requirements are discussed elsewhere in these specifications.

The Compliance Services unit from Procurement Services utilizes a simple reporting system that enables the Agency to quickly classify and track all newly hired people. This allows the Agency to prepare reports that satisfy federal and local reporting requirements.

The following satisfy the Section 3 and Executive Order requirements:

1. Section 00841-2 - New Hire Questionnaire. All new hires will be required to complete a New Hire Questionnaire. The questionnaire will provide the Agency the information necessary to track results. The questionnaire is due from the employer one week following the hire date.

All new hires must complete the questionnaire regardless of whether they were referred by the Agency or other sources or as a result of direct contractor recruitment. The questionnaire is attached. Feel free to make sufficient copies for every new hire.

2. Posting requirements. Both the Order and Section 3 require a posting at the job site. See Section 00841-4 - Equal Employment Opportunity is the Law poster and Section 00841-3 - Section 3 notice-poster. The first poster must be placed in an area that workers are likely to see. The Section 3 poster must be placed so that the public may reasonably view it.

The SHRA is always available to help you meet your employment obligations; however, cooperating with the reporting requirements is not by itself an indicator of satisfying the Executive Order and Section 3 regulations. The results of your efforts (and subcontractors) are the better measure.

NON-DISCRIMINATION IN EMPLOYEE BENEFITS BY CITY CONTRACTORS ORDINANCE

INTRODUCTION

The Sacramento Non-Discrimination In Employee Benefits By City Contractors Ordinance (the "Ordinance"), codified as Sacramento City Code Chapter 3.54, prohibits City contractors from discriminating in the provision of employee benefits between employees with spouses and employees with domestic partners, and between the spouses and domestic partners of employees.

APPLICATION

The provisions of the Ordinance apply to any contract or agreement (as defined below), between a Contractor and the City of Sacramento, in an amount exceeding \$25,000.00. The Ordinance applies to that portion of a contractor's operations that occur: (i) within the City of Sacramento; (ii) on real property outside the City of Sacramento if the property is owned by the City or if the City has a right to occupy the property; or (iii) at any location where a significant amount of work related to a City contract is being performed. The provisions apply only to those employee(s) actually working on the City contract and only for the actual amount of time the employee(s) spend working on such contract.

The Ordinance does not apply: to subcontractors or subcontracts of any Contractor or contractors; to transactions entered into pursuant to cooperative purchasing agreements approved by the Sacramento City Council; to legal contracts of other governmental jurisdictions or public agencies without separate competitive bidding by the City; where the requirements of the ordinance will violate or are inconsistent with the terms or conditions of a grant, subvention or agreement with a public agency or the instructions of an authorized representative of any such agency with respect to any such grant, subvention or agreement; to contracts for excavation or street construction; or to agreements for the use of City right-of-way where a contracting utility has the power of eminent domain.

DEFINITIONS

As set forth in the Ordinance, the following definitions apply:

"Contract" means an agreement for public works or improvements to be performed, or for goods or services to be purchased or grants to be provided, at the expense of the City or to be paid out of moneys deposited in the treasury or out of the trust money under the control or collected by the City. Equal Benefits Ordinance**

CENTRAL VALLEY ENGINEERING & ASPHALT, INC.
Name of Contractor

216 KENROY LANE ROSEVILLE CA 95678
Address

The above named contractor ("Contractor") hereby declares and agrees as follows:

1. I have read and understand the Non-Discrimination In Employee Benefits By City Contractors Ordinance ("Ordinance") provided to me by the City of Sacramento ("City") in connection with the City's request for proposals or other solicitations for the performance of services, or for the provision of commodities, under a City contract or agreement ("Contract").
2. As a condition of receiving the City Contract, I agree to fully comply with the requirements of the Ordinance, codified as Chapter 3. 54 of the Sacramento City Code.
3. If the face amount of this City Contract is less than \$25,000, as a condition of receiving this Contract, I agree to notify the City in writing if the aggregate value of the City Contract referenced herein, after changes, modifications, or similar actions, equals or exceeds \$25,000 in total value.
4. I understand, to the extent that such benefits are not preempted or prohibited by federal or state law, employee benefits covered by the Ordinance, are any of the following:
 - a. Bereavement Leave
 - b. Disability, life, and other types of insurance
 - c. Family medical leave
 - d. Health benefits
 - e. Membership or membership discounts
 - f. Moving expenses
 - g. Pension and retirement benefits
 - h. Vacation
 - i. Travel benefits
 - j. Any other benefit offered to employees

I agree that should I offer any of the above listed employee benefits, that I will offer those benefits, without discrimination between employees with spouses and employees with domestic partners, and without discrimination between the spouses and domestic partners of such employees.

5. I understand that I will not be considered to be discriminating in the provision or application of employee benefits under the following conditions or circumstances:

NON-DISCRIMINATION IN EMPLOYEE BENEFITS BY CITY CONTRACTORS ORDINANCE

- a. In the event that the actual cost of providing a benefit to a domestic partner or spouse, exceeds the cost of providing the same benefit to a spouse or domestic partner of an employee, I will not be required to provide the benefit, nor shall it be deemed discriminatory, if I require the employee to pay the monetary difference in order to provide the benefit to the domestic partner or to the spouse.
- b. In the event I am unable to provide a certain benefit, despite taking reasonable measures to do so, if I provide the employee with a cash equivalent, I will not be deemed to be discriminating in the application of that benefit.
- c. If I provide employee benefits neither to employee's spouses nor to employee's domestic partners.
- d. If I provide employee benefits to employees on a basis unrelated to marital or domestic partner status.
- e. If I submit, to the Program Coordinator, written evidence of making reasonable efforts to end discrimination in employee benefits by implementing policies which are to be enacted before the first effective date after the first open enrollment process following the date the Contract is executed with the City.

I understand that any delay in the implementation of such policies may not exceed one (1) year from the date the Contract is executed with the City, and applies only to those employee benefits for which an open enrollment process is applicable.

- f. Until administrative steps can be taken to incorporate, in the infrastructure, nondiscrimination in employee benefits

The time allotted for these administrative steps will apply only to those employee benefits for which administrative steps are necessary and may not exceed three (3) months from the date the Contract is executed with the City.
- g. Until the expiration of a current collective bargaining agreement(s) where, in fact, employee benefits are governed by a collective bargaining agreement(s).
- h. I take all reasonable measures to end discrimination in employee benefits by either requesting the union(s) involved agree to reopen the agreement(s) in order for me to take whatever steps are necessary to end discrimination in employee benefits or by my ending discrimination in employee benefits without reopening the collective bargaining agreement(s).

NON-DISCRIMINATION IN EMPLOYEE BENEFITS BY CITY CONTRACTORS ORDINANCE

- i. In the event I cannot end discrimination in employee benefits despite taking all reasonable measures to do so, I provide a cash equivalent to eligible employees for whom employee benefits (as listed previously), are not available.

Unless otherwise authorized in writing by the City Manager, I understand this cash equivalent must begin at the time the union(s) refuse to allow the collective bargaining agreement(s) to be reopened or no longer than three (3) months from the date the Contract is executed with the City.

6. I understand that failure to comply with the provisions of Section 5. (a) through 4. (i), above, will subject me to possible suspension and/or termination of this Contract for cause; repayment of any or all of the Contract amount disbursed by the City; debarment for future contracts until all penalties and restitution have been paid in full; deemed ineligible for future contracts for up to two (2) years; the imposition of a penalty, payable to the City, in the sum of \$50.00 for each employee, for each calendar day during which the employee was discriminated against in violation of the provisions of the Ordinance.
7. I understand and do hereby agree to provide each current employee and, within ten (10) days of hire, each new employee, of their rights under the Ordinance. I further agree to maintain a copy of each such letter provided, in an appropriate file for possible inspection by an authorized representative of the City. I also agree to prominently display a poster informing each employee of these rights.
8. I understand that I have the right to request an exemption to the benefit provisions of the Ordinance when such a request is submitted to the Procurement Services Division, in writing with sufficient justification for resolution, prior to contract award.

I further understand that the City may request a waiver or exemption to the provisions or requirements of the Ordinance, when only one contractor is available to enter into a contract or agreement to occupy and use City property on terms and conditions established by the City; when sole source conditions exist for goods, services, public project or improvements and related construction services; when there are no responsive bidders to the EBO requirements and the contract is for essential goods or services; when emergency conditions with public health and safety implications exist; or when the contract is for specialized legal services if in the best interest of the City.

9. In consideration of the foregoing, I shall defend, indemnify and hold harmless, the City, its officers and employees, against any claims, actions, damages, costs (including reasonable attorney fees), or other liabilities of any kind arising from any violation of the City's Equal Benefits Requirements or of the Ordinance by me.

**NON-DISCRIMINATION IN EMPLOYEE BENEFITS BY CITY CONTRACTORS
ORDINANCE**

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct, and that I am authorized to bind the Contractor to the provisions of this Declaration.

Bidders/offerors are to solicit quotes from M/WBE sub-trades for any subcontracting opportunity. This can be achieved by advertising in a daily or weekly newspaper / trade magazine of general circulation; or, by notifying the M/WBE sub-trades directly. The Agency's M/WBE program is designed to help bidders/offerors meet M/WBE requirements and is modified periodically to increase usefulness in response to local and national objectives.

II. CERTIFICATION

A MBE or WBE designated in the bid/offer must, upon request, certify that the firm is owned and controlled by a woman or women or a member of a minority group or groups. The Agency can provide a declaration statement that meets our certification requirements. A firm may also complete a Vendor Application to certify. Any firm interested in participating in the SHRA Outreach List may do so by completing a Vendor Application available from Procurement Services.

III. DEMONSTRATING GOOD FAITH EFFORTS

These Guidelines include forms to be used by each bidder/offeror to demonstrate program compliance. Bidders/offerors must demonstrate their efforts to comply with M/WBE requirements by submitting all supporting documentation with the bid/offer, or the bid/offer will be considered non-responsive.

A completed Section 00840.1 M/WBE Outreach Contact Log and Section 00840.2 Questionnaire must be submitted with the bid/offer. The bidder/offeror has the responsibility of demonstrating that its efforts meet the M/WBE program requirements as stated above.

A. **SHRA Outreach List.** The Agency will provide a project specific list of vendors, contractors and suppliers that include M/WBE firms. Printed mailing labels are also available. Bidders/offerors may utilize additional outreach sources to assist with their efforts to satisfy M/WBE requirements.

B. Complete Section 00840-1, **M/WBE Outreach Contact Log**, to record results of your efforts to contact M/WBE sub-contractors and to identify any M/WBE sub-contractors and materials suppliers being utilized on your project. Submit the M/WBE Outreach Contact Log with the bid/offer. *If no subcontracting opportunities exist, indicate "No subcontracting. All work to be completed by bidder/offeror."

C. **Outreach Questionnaire.** Provide the completed M/WBE Outreach Questionnaire (Section 00840-2) with the bid/offer.

V. M/WBE REQUIREMENTS OF SUCCESSFUL BIDDER/OFFEROR

A. **M/WBE Records.** The selected contractor shall maintain records of all subcontracts and materials purchases with M/WBE subcontractors and suppliers. Such records shall show the name and business address of every M/WBE subcontractor or vendor/supplier and the total dollar amount actually paid to each M/WBE firm.

Upon completion of the contract, a summary of these records shall be prepared, certified correct by the contractor or authorized representative and, upon request, furnished to the Agency.

B. **Reporting Requirements and Sanctions.** Failure to provide specific information, records, reports, certifications, or any other documents required for compliance with these specifications shall be considered noncompliance with the contract.

C. **Subcontracting.** No substitution of subcontractor, whether M/WBE or otherwise, shall be made at any time without the written consent of the Agency. If a subcontractor is unable to perform successfully and is to be replaced, the contractor will be required to make good faith efforts to replace the original subcontractor.
