SUBJECT: Alley Way Resurfacing 17th & 18th L to Capitol ReBid (PN: T15105400)

Bid opening for your project occurred June 23, 2010. Attached is my complete analysis of each bid submitted. You previously received a preliminary bid notice and electronic copies of each bid.

All bids submitted met all required bid requirements, including demonstration of Good Faith Effort (GFE) in outreaching to M/WBE certified firms to engage their participation on the project, except the following two bidders:

- Newland Entities (low bidder)- did not demonstrate Good Faith Effort (GFE)
- G. D. Nielson- did not demonstrate Good Faith Effort (GFE)

Please advise me as to how you wish to proceed regarding this project. Specifically, I will need to know:

- 1) Whether you want a contract initiated with the responsible and responsive low bidder, **Biondi Paving.**
- 2) If you accept this recommendation, the date you intend to bring this matter to City Council for approval.

Should you have any questions regarding this matter, feel free to contact me at (916) 808-8195 or via e-mail at jledesma@cityofsacramento.org. **Bidders will not be notified of any recommended action until such time a decision has been made by you with respect to this project.**
