Meeting Minutes

June 23, 2005; Samuel Pannell Community Center
Meeting started at 6:00 and ended about 7:00pm

8 community members; 3 City Staff

Reviewed the last community meeting minutes from April 14th. Showed 2 examples of the proposed park; Option A and Option B. Explained the 2 options and possible configurations. Community members decided that they liked Option A (the amphitheater near the picnic area and the 'loop' path away from the picnic area and the main entrance off 19th Street) and would like some minor revisions: The basketball court to be moved a little more to the west to separate the court from the picnic area; trees in the lawn area to be more clustered and have larger open areas for lawn-play; the park name to be changed to Richfield Park from North Delta Shores Park; possible security lights within the park depending on budget.

Park names voted on at this meeting: Richfield Park

Master plan will be posted on the City web site at address:
