Item:

### **Welcome / Introduction**

Gary introduced himself and the other City Staff. He noted that the purpose of the meeting was to obtain input from the community regarding the proposal of a new community garden in Zapata Park.

### **Presentation**

Gary presented the updated Zapata Park master plan to the community.

### **Community Participation**

The community supported the updated Zapata Park master plan with the following comments:

1. The existing art tiles at the sign needs to be repaired.
2. If possible, add art onto the proposed block wall of the raised planter (handicap accessible plot.)
3. Create an accessible area for garden tools.
4. Plant a dwarf fruit tree in the proposed triangular garden plot.
5. Plant an espalier of fruit tree.
6. Coordinate public art opening.
