

# Arden Arcade

City of Sacramento  
Planning Department  
New Growth Division

**Arden-Arcade** consists of 15.6 square miles between the American River and I-80, and Ethan Avenue to Mission Avenue.

There is a current effort for the Arden-Arcade area to incorporate and an application requesting incorporation was filed at LAFCo on February 27, 2007, an Incorporation Petition was filed at LAFCo.

LAFCo has entered into a new contract with MuniFinancial to complete the required Comprehensive Fiscal Analysis. The Incorporation Committee continues to struggle to raise the funds needed for the incorporation.

Annexation to the City of Sacramento may be an alternative to incorporation.
