

Laguna Creek Detachment

Elk Grove Annexation / Sacramento Detachment

City of Elk Grove
Development Services

The **Laguna Creek** detachment area is south of Laguna Creek and adjacent to the City of Elk Grove. The subdivision is within the City of Sacramento but can only be accessed through City of Elk Grove subdivisions.

This proposal would detach the subdivision from the City of Sacramento and annex it into the City of Elk Grove.

Councilmember Pannell's office sent informational packets to all the residents within the area and requested residents respond to determine if there was an interest in annexing to the City of Elk Grove. Very few residents responded and the responses indicated the most residents would prefer to remain in the City of Sacramento. The Councilmember may schedule a community meeting in winter 2009.
