A limited supply of parking meters is currently available for sale. The Parking Services Division is selling their parking meters that have recently been pulled off the streets.

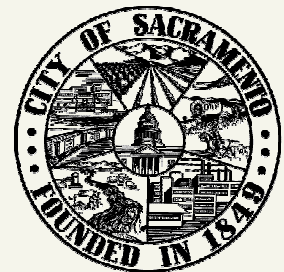

Purchase a piece of history. Meters will be sold on a first come, first serve basis. These historic

Duncan 70 parking meters are truly a piece of Sacramento's history. They make perfect gifts for collectors and kids love to use them as piggy banks.

The Duncan 70 parking meters were purchased in the late 1970's and have been operating on the streets of Sacramento for the past 30 years. It is estimated one of these parking meters has collected a total of 84,000 quarters in its lifetime.

Time has expired for Sacramento's Parking Meters.

Cash, Checks and Credit Cards (Visa & MasterCard) accepted.
