City opening Del Paso Boulevard floodgate this morning

A City of Sacramento Department of Transportation crew is opening the floodgate this morning on Del Paso Boulevard between Railroad Drive and Northgate Boulevard. With the current river levels dropping and the reservoir releases staying steady, the floodgate should be open between noon and 1 p.m. today. A street crew also will be working to clear Northgate Boulevard between Garden Highway and State Route 160 of debris and mud, so this section of Northgate Boulevard will remain closed until late this afternoon.

MEDIA NOTE: Questions regarding the road closure can be directed to Linda Tucker, Media and Communications Specialist for the Department of Transportation.. Questions regarding river levels and other questions relating to flood preparedness can be directed to Jessica Hess, Media and Communications Specialist for the Department of Utilities.
