City to host Central City Parking Master Plan Public Open House

The City of Sacramento is hosting a public open house for the Central City Parking Master Plan. The plan's goals and objectives to be presented at the meeting provide the framework for answering the "Where will I park?" question given current and future downtown and midtown development.

WHEN: Thursday, September 15, 2005
4:30 p.m. – 7:00 p.m. (presentation at 5:15 p.m.)
Refreshments will be provided

WHERE: YWCA Auditorium, Sacramento
1122 17th Street

WHY: This is an opportunity for central city residents and stakeholders to learn and share their views about the City of Sacramento Department of Transportation's comprehensive on and off-street parking master plan.

The Central City Parking Master Plan's progress will be presented to City Council during a series of four presentations at key milestones. The second presentation is planned for September 27th. Additional presentations are anticipated for October and December.

Please visit the project Web page at www.cityofsacramento.org and click on the Central City Parking Master Plan for more details. For further information, please contact Linda Tucker at 916/808-7523.
