## **City Yard Waste Services Reminder: Containerized Customer Loose-in-the-Street Yard Waste Collection Begins TUESDAY MAY 25, 2010**

The City of Sacramento Department of Utilities reminds its Containerized Yard Waste customers that their Spring Clean-up Loose-in-the-Street Yard Waste Collection takes place on their last collection day in May, beginning on Tuesday May 25, 2010. Customers should note that their loose-in-the-street collection day is not the same as their containerized yard waste collection day. Residents who are unsure of their loose-in-the-street collection day can use the Pick-Up Day Finder at <http://www.cityofsacramento.org/utilities/solid-waste-recycling> or call 3-1-1.

The Department of Utilities offers eight loose-in-the-street yard waste pick ups to customers who use a container to collect and dispose of yard waste. A calendar of these pick-up days can be found at <http://www.cityofsacramento.org/utilities>.
