Containerized Yard Waste Collection Schedule

CITY OF SACRAMENTO
DEPARTMENT
OF UTILITIES

Containerized Yard Waste customers must only place their yard waste in their yard waste container and not in the street. The weeks highlighted below are weeks that containerized customers may put yard waste in piles on the street as well as in their containers. Use the Pick Up Day Finder to find your scheduled loose-in-the-street pick-up day to determine when your pile should be placed out and picked up.
