Event Description:

Spare the Water Sacramento! Water Conservation can help you save water and money! Learn how to find ways to save water and money in and around your home at the City of Sacramento's Water Conservation Workshop! Get FREE water conservation tips and tools, discuss how much water your landscape needs to be healthy, learn about rebates for water saving devices and City water conservation rules and services. Attendance at the Water Conservation Workshop can also waive fines for water conservation violations. For questions or further information, please visit www.sparesacwater.org.
