

Chapter 5 List of Preparers

The following people contributed to preparation of this environmental document.

5.1 FEDERAL HIGHWAY ADMINISTRATION

Leland Dong, Senior Transportation Engineer. B.A., Long Beach State, Long Beach. Over 15 years experience in preparing, reviewing, and approving environmental documents—including Section 4(f) evaluations.

5.2 CALIFORNIA DEPARTMENT OF TRANSPORTATION

Karen McWilliams, Senior Environmental Planner. B.A., Environmental Studies, California State University, Sacramento. Twelve years experience in environmental planning.

Che McFarlin, Associate Environmental Planner. B.S., Urban and Regional Planning, University of Iowa. Five years experience in environmental planning.

Gail St. John, Associate Environmental Planner and Architectural Historian. B.A., Art History, University of California at Davis; M.S., Historic Preservation, University of Georgia. Eight years experience in conducting historic architectural studies.

Sarah Allred, Associate Environmental Planner. B.A., Archaeology and B.A., Anthropology, California State University Sacramento. Fourteen years experience in cultural resource management.

5.3 CITY OF SACRAMENTO

Dana Allen, Associate Environmental Planner. B.A., Environmental Studies, San Jose State University. Eight years experience in preparing and managing environmental documents.

5.4 PARSONS BRINCKERHOFF QUADE & DOUGLAS

Robert Cermak, Project Manager. B.S.E., Urban Systems and M.S.E., Large-Scale Systems, Purdue University; M.E., Structural Engineering, University of California, Davis. Twenty-nine years engineering experience with bridges, roadways, and flood control projects.

Tammy Wisco, Deputy Project Manager. B.S., Civil Engineering, University of Portland, 1998. Six years civil engineering experience.

Tom Cooper, Senior Engineering Manager, Project Structural Engineer. B.S., Civil Engineering, California State University at Sacramento, 1983. Twenty-one years civil and structural engineering experience.

5.5 JONES & STOKES

Brian Bergfalk, Associate Principal and Project Manager. B.S., Communication Studies (Political Science emphasis), University of Kansas. Eleven years of experience in environmental consulting.

David Byrd, Architectural Historian. B.A., History, 1988, California State University, Sacramento. M.A., History/Public History, 1994, California State University, Sacramento. More than 10 years experience in conducting cultural resources inventory and evaluation studies.

Karen Crawford, Archaeologist. M.A., Anthropology (emphasis in Archaeology), University of California, Davis. Over 8 years experience in archaeology and cultural resources management (prehistoric and historic archaeology, and historical research and evaluation) in California. Qualified as a lead archaeological surveyor under Caltrans standards.

5.6 P.S. PRESERVATION SERVICES

John Snyder, Principal. B.A., History of Art, California State University, Dominguez Hills; M.A., Architectural History, University of California, Davis. Over 27 years experience in conducting historic and historic architectural surveys. Qualified as an architectural historian under Federal and Caltrans standards.

5.7 MARK THOMAS & COMPANY

Kim Erickson, Project Manager. B.S., Environmental Planning and Management, 1980, University of California, Davis, California. Over twenty years experience in preparing environmental documents.
