Notes:

1. All signatures must be present in order to submit the plans for review. A pre-application meeting is required to obtain the Building Official or Supervising Engineer signature. A completed form may be submitted for approval either at the public counter or by emailing EZPermit@cityofsacramento.org
2. The applicant will be contacted by this firm for OSHPD III plan review and inspection requirements. A separate fee (independent from what is included in the City fees) will be paid directly to this firm for this service, similar to Special Inspection Services. The certification form will be signed by this firm as a representative/agent of the City of Sacramento.
3. Approval is valid for twenty (20) working days beyond the date signed. If the approval has expired, resubmit the form for approval.
