2.2.7 Alkali Flat South Historic District

Ordinance #2004-048
September 7, 2004
Alkali Flat South Historic District

Alkali Flat South Historic District is characterized by a row of small Italianate and Queen Anne houses that convey a sense of time and place through their similar size, scale and overall form. The grouping is relatively consistent in the visual features that hold it together, such as fenestration and design details creating the texture of the ensemble.
