| Description: | Remove existing small shed and construct 500 square foot storage structure with an attached 200 square foot shade cover in back yard of existing single family home. Enclosed portion of structure is for storage, and shade cover is for outdoor recreational living only. The enclosed structure is not to be used as a bedroom, guest house or second dwelling. The shade cover is not for covered storage. The existing shed to be removed is roughly 120 square feet and was constructed with a building permit in 1995. There are no Planning issues with removing the existing shad. | | | | |
