Description: Proposing repair work to an existing single-family residence to fix damage done by fungus and cracking stucco . There are no proposed changes to the footprint of the building, so there are no issues with setbacks or lot coverage with this proposal. There will be no changes to the building materials visible from the street (they are proposing like-for-like), which is consistent with the Expanded North Area guidelines. Any changes or modifications will require additional review / approval from planning staff.
