Description: EPC Submittal - Revision to Issued Permit res-1910425 - Revision to the foundation system and revised storm water drainage system. Field investigation by a registered arborist has determined that the tree located on the property will not be adversely affected by a standard foundation. The plan revisions is eliminate the pier and grade beamportion of the foundation. This revision makes the foundation identical to the approved, adjacent lot foundation at 1612 Tomato Alley. In addition Civil drawings have modified the storm water drainage system.
