Description:	EPC - The scope includes the following: This project involves a tenant improvement renovation of an existing building at the SW corner of 8th and J streets. The existing building is a total of 5 stories, including two floors of office space on the basement and ground floor and a parking structure making up a portion of the ground floor, remaining floors above, and the roof. The tenant improvement will occupy the ground floor. In addition to office space, this project will include a multipurpose, flexible space. There will be additional spaces to support the multipurpose space. Provisions are being provided for a future tenant on the ground floor. The existing curtain wall system will be removed and replaced with new curtain wall as well as new exterior wall paneling. This project will also include a small patio to support a future tenant that is positioned on the exterior of the building and facing J street. Portions of the existing concrete topping slab on the exterior will be replaced to match the existing concrete walkway/sidewalk. Existing asphalt pavement adjacent to the building will be replaced with new concrete pavement.

Address: 5332 ROSE ST	Issued: 06/11/2020	Finished:
Location:	# Units: 0	Sq Ft:
Description: New Underground service, new main panel 200 Amps, N/A weather head/masthead work, main breaker replacement for new service due to proposed lot split. If prior to lot split approval, coordinate with SMUD before proceeding to avoid any unforeseen obstacles. Placement of the new service and the trenching for the underground conduits should be done as though the property line was in place. Any work performed now is AT YOUR OWN RISK – that is, if the location of the property line were to vary from the location proposed, it could create problems. The electrical service requires 3' clearance to the property line and trench through through a neighbors parcel is not allowed. Carbon monoxide & Smoke alarms required. Reference CRC sections R315 & R314 Water conserving fixtures are required to be installed throughout this residence per SB 407 (Note: Residences built after January 1, 1994 are exempt)."
