| Description: | EPC - The project is the modification to the existing trash enclosure off Quill Alley. The enclosure was increased in a past project to serve an anticipated need. That need is now gone. The proposed smaller size matches the original planning approvals for the site. The proposed work also includes the restoration of (2) parking spaces that were previously removed. No required changes to the accessibility of the site per code. Form CDD-0029 Exempt Form has been uploaded. | | | |
