District 2 Candidate	Allen Warren
Ballot Designation	Incumbent
Participating in Code of Fair Campaign Practices	Yes
Campaign Statement Submitted for Voter Guide	
<p>I was born and raised in Del Paso Heights, have spent most of my life in the district I represent, and am the first in my family to finish college. I get strength from my close-knit family and my late-father who taught me “no one is better than us and we’re no better than anyone else.”</p> <p>I’m a problem solver, I like getting things done, which is why I am endorsed by the Sacramento Bee, Democratic Party of Sacramento, Sacramento Latino Democratic Club, and Sacramento Region Business Association.</p> <p>I have increased job opportunities and affordable housing, made our neighborhoods safer, promoted recreational and cultural inclusion, and enabled thousands of students with language challenges to better transition into the community. City investments in District 2 have grown by over \$50 million. Private investment has increased.</p> <p>We have much more to do. New services will improve traffic safety and reduce congestion. I am proposing a homelessness plan called “Renewal Village” to provide innovative solutions for 700 people.</p> <p>I look forward to working hard over the next four years to build on the gains we’ve made to improve the lives of all members of our community.</p>
