

"Sacramento Mayoral Accountability and Community Equity Act of 2020"  
(Text of Proposed Measure)

**Section 1.** Title.

These charter amendments are titled and may be cited as the "Sacramento Mayoral Accountability and Community Equity Act of 2020" (hereinafter, the "Act").

**Section 2.** Findings and Purpose.

A. Findings.

1. Voters consistently express a desire for more accountability and transparent checks and balances in city government.
2. Currently, voters have a limited ability to hold key decision-makers clearly, directly, and consistently accountable for how they spend taxpayer dollars, make major decisions of city management, and administer city programs and services.
3. Currently, all powers are concentrated exclusively in a single entity, the city council, which results in a system that blurs accountability for distinct executive and legislative powers and denies voters a system of basic checks and balances on power that is a hallmark of the American democratic system.
4. Voters expect and deserve high standards for ethical behavior, transparency, and citizen engagement in all aspects of city government, including but not limited to the oversight of city officials.
5. Voters will demonstrate greater trust and support for a city government that ensures the mayor, city council, and city departments are held accountable to the will of the voters through reforms that establish clear lines of accountability and adequate checks and balances between executive and legislative functions, including strong provisions for ethical and transparent behavior.

6. The city's current governance system was established 100 years ago for a far smaller, less diverse, and less complex city.
7. The community rightfully demands and deserves more voice in the budget decisions of the city.
8. The awakening that has occurred in our country requires our city to consider the racial and gender impacts of the city's major decisions.
9. Modernizing the City Charter is an essential step in the city's evolution to meet the challenges and opportunities of the 21st Century.
10. This Act, therefore, amends the Sacramento City Charter to include a series of reforms to create more accountability; create transparent checks and balances; afford the community a greater role in the city's budget decisions; ensure the community's economic-development and city-services priorities are respected; and require the city to evaluate potential council decisions for their effects on social equity, including racial equity and gender equity.

B. Purpose.

The purpose of this measure is to establish greater accountability and stronger checks and balances, to better ensure that the agenda, budget, leadership, and day-to-day management of the City of Sacramento are directly informed by, and aligned with, the will of the voters and effectively communicated to the residents of Sacramento by their elected representatives.

(b) The budget may be amended, revised, or modified during the fiscal year pursuant to the process set forth above in subsection (a) on a timeline not to exceed 90 days, which timeline shall start on the date the mayor, either after a request

by the city council to do so or on the mayor's own initiative, transmits the proposed budget amendment, revision, or modification to the city council. For purposes of this subsection (b), the 30-day pre-fiscal year deadline in subsection (a)(1) shall instead be 30 days before the expiration of the 90-day timeline.

(c) The mayor shall have the right to veto any council-approved appropriation or expenditure of externally-sourced funds that are not part of the budget, subject to a six-vote council override, all on the same timeline for budget resolution actions as set forth in subsection (a).

(d) In accordance with a process adopted by the council, the approved budget must include one or more line items for expenditures consistent with the recommendations resulting from a citywide participatory budgeting process.

(e)

(1) The first budget adopted after the effective date of this subsection, and each budget thereafter, must include a specific amount – equal to or greater than \$40 million, which must be adjusted annually according to an objective measure of economic growth – for inclusive economic development and youth services.

(2) At least 25% of the amount so budgeted must be for youth services with a priority towards children and youth most impacted by poverty, violence, and trauma. In considering the allocation of money for youth services, the Council shall seek input from youth, including any existing youth commission.

The commissioners shall make each selection on the

basis of the applicant's relevant analytical skills, familiarity with the city's neighborhoods and communities, ability to be impartial, and apparent ability to work cooperatively with other commissioners. The commission should reasonably reflect the city's diversity; provided that no quotas, formulas, or ratios may be applied for this purpose.

For good cause, neglect of duty or misconduct in office, a member of a city board or commission who has been appointed for a specified term by the city council may be removed from office during such term by the city council. Such member may be removed only after such member has been given a copy of the charges against such member at least ten days prior to a hearing to be held on the charges. At the hearing the member shall have an opportunity to be heard in person or by counsel.

**Section 33.** Section 233 is hereby added to Article XV the Sacramento City Charter to read as follows:

§ 233 Ethics Commission.

There shall be established an ethics commission whose purpose is to review and consider complaints against elected and appointed city officials, as provided in an ordinance adopted by city council, to ensure those city officials are conforming their conduct to the city's laws and policies. The city shall provide the ethics commission with at least one staff person who reports directly to the commission and whose sole function is to serve the commission.

**Section 36.** Effect of Amendments on Existing Commissions.

The amendments to Section 174 of the Charter, related to the composition of the Sacramento Independent Redistricting Commission, shall not affect the selection of commissioners or composition of that commission as it existed on the effective date of this Act. The addition of Section 233 to

this Charter shall not affect the Sacramento Ethics Commission as it existed on the effective date of this Act.

**Section 37.** Effective Date.

If this Act is approved by a majority of the voters voting on the issue, the Act shall become effective when it is filed and accepted by the Secretary of State in accordance with California Government Code section 34459.

**Section 38.** Implementation.

Upon the effective date of this Act, the City shall proceed as expeditiously as possible to implement this Act, including but not limited to promptly updating the Sacramento City Code, ordinances, and resolutions to conform to the Charter amendments set forth herein.

**Section 39.** Reauthorization.

To ensure the people have an opportunity to consider the effectiveness of the changes to City government effectuated by this Act, the city council shall place a measure on the ballot at an election no later than November 2030 to consider amendments to the Charter that, at a minimum, either returns the City to the council-manager form of government that existed before the effective date of this Act, re-approves the changes effectuated by this Act, or proposes some alternative government structure. However, the city council and the people expressly reserve the right to propose any other changes to the Charter at the November 2030 election or sooner, including without limitation, changes to extend, make permanent, shorten, or repeal the provisions of this Act.

**Section 40.** Severability.

If any portion, section, subsection, paragraph, subparagraph, sentence, clause, or application of this Act is held invalid or inapplicable by

a final judgment of a court of competent jurisdiction, such decision shall not affect the validity or applicability of any other part of this Act. Consistent with the foregoing, the provisions and applications of this Act shall be deemed severable, and each portion, section, subsection, paragraph, subparagraph, sentence, clause, or application of this Act would have been enacted irrespective of the fact that one or more other parts or applications is found to be invalid or inapplicable.
