Redevelopment Agency of the City of Sacramento: Dissolution and Successor Agency

Please note that as a result of legislation in the State of California (namely Assembly Bills (AB) X1 26, X1 27, and AB 1484), the City of Sacramento (City) has elected to serve as the Successor Agency to the Redevelopment Agency of the City (RASA) beginning on February 1, 2012; and that under AB X1 26, payment of debt service for bonds of a dissolved redevelopment agency is an “enforceable obligation” of the successor agency.

Additionally, amounts formerly identified as tax increment proceeds are now distributed through a Redevelopment Property Tax Trust Fund in an amount equal to obligations listed on a Recognized Obligation Payment Schedule (ROPS), as approved by the Department of Finance for every six-month period. Beginning with the 2016/17 ROPS cycle, RASA will be seeking approval for a twelve-month period.

On October 14, 2015 RASA refunded a portion of the redevelopment debt associated with the Series A Bonds.

Notes: (1) Article XIII A, added to California Constitution by Proposition 13 in 1978, fixed the base for valuation of property subject to taxes at the full cash value appeared on the Assessor's 1975-76 assessment roll. Therefore, full cash value can be increased to reflect:

- a) annual inflation up to 2%;
- b) current market value at time of ownership change;
- c) market value for new construction

Estimated actual value of taxable property cannot easily determined as the property in the City is not reassessed annually. Reassessment normally occurs when ownership changes.

(2) This 1 % is shared by all taxing agencies for which the subject property resides within.
