\(^{(6)}\) Includes interest earnings/revenue associated with Water Development Fees Fund and the Water Use Fee Fund.

\(^{(2)}\) The voter approved general fund tax is equal to 11% of the collected utility rate revenue. See "General Fund Tax on Water System

\(^{(3)}\) Adjustments to the Rate Stabilization Fund are estimated to result in the Rate Stabilization Fund being funded in an amount equal to 25% of all current maximum debt service (parity, subordinate and unsecured).

\(^{(4)}\) Pursuant to the terms of the Funding Agreement between the California Department of Public Health and the City, deposits to the reserve fund must be made over the first ten years of the loan repayment term.

\(^{(5)}\) Existing payments by the Water Fund to the City's General Fund to cover existing general fund debt for water-related facilities associated with the City's Master Lease revenue Bond Program. The Water Fund revenue is utilized, but not directly pledged, to make debt service payments.

\(^{(6)}\) The Beginning Unrestricted Fund Balance is based on the City's budgetary basis of accounting which treats purchase order encumbrances and multi-year project appropriations as expended in the year appropriated. As a result, the Beginning Unrestricted Fund Balance is significantly lower than the unrestricted cash and investments reported in the City's Comprehensive Annual Financial Report.

\(^{(1)}\) Unsecured Obligations represent the appropriated amount of debt from certain financing and are obligations of the City’s General Fund.

\(^{(2)}\) The 2005 Refunding Revenue Bonds have been refunded with 2015 Lease Revenue Bonds in December 2015.

In December 2017, the City obtained $173.1 million in funding of parity obligation bonds from the California State Water Resources Control Board’s Drinking Water State Revolving Fund. As of Fiscal Year 2022, the City anticipates that approximately $20–25 million of the approved loan amount will not be used. Estimated payments are derived from the debt service schedule from the Installment Sale Agreement; actual payments will be updated in the future to reflect the unused loan amount.
