### Notes
1. Impact fee revenues includes capital contributions.
2. Includes interest earnings/revenue associated with Wastewater Development Impact Fee Fund and the Wastewater User Fee Fund. Also includes, the allocated portion of the unrealized loss in the City’s Pool A portfolio. In prior years, the Wastewater Fund reported the allocable portion of unrealized gains. Since the Fed began raising interest rates in March 2022, this has led to the reduced market valuation of fixed-income securities in the City’s Pool A portfolio.
3. Miscellaneous Revenues include Miscellaneous, Transfers in, Other Capital, and Revenues From Other Agencies. Does not include Contributed Capital for the private development dedications.
4. Pursuant to Measure I of the City Code (Section 41.10.150), the voter-approved general fund tax is equal to 11% of the collected utility rate revenue. City utility service rates are set at the amounts necessary to pay the City’s costs of service, which includes the general fund tax. The general fund tax is calculated on an annual basis and transferred to the City’s General Fund each year to support city wide services.
5. Includes only the portion of the SRF Loan paid by Storm Drainage Fund.
