Re: Proposed Fire Prevention Fee Increase

Greetings,

This notification is the continuation of our outreach effort regarding a proposed increase to the Fire Prevention fees. These fees have not been increased since 2009, and are necessary to continue to provide effective fire prevention services to the community as mandated by state and local code. The Sacramento Fire Department has revised the proposed fees, based on community stakeholder feedback, a copy of the proposed fees has been posted on the Sacramento Fire Department's website: www.sacfire.org and is included in this notice.

Community workshops were conducted to discuss the proposed fee increase. The workshops were held on 8/31/2017, 9/7/2017, and 9/17/2017 at the Public Safety Center, located at 5770 Freeport Blvd, Sacramento. The Fire Department anticipates bringing the proposed fees to the Sacramento City Council for adoption in the next few months.

Should you have any questions, comments, or concerns please contact the Fire Prevention Division by telephone, (916) 808-1620, or email at: prevention@sfd.cityofsacramento.org. Your feedback is welcomed.

Sincerely,

Jason Lee
