COMPLETE YOUR OPEN ENROLLMENT FORM TO CONFIRM YOUR 2023 ELECTIONS

All retirees/beneficiaries need to complete an Open Enrollment form to confirm their elections for 2023, even if waiving all coverages or not making any changes.

BENEFIT SERVICES OFFICE AT HISTORIC CITY HALL

The Benefit Services office is closed to walk-in customers and team members continue to primarily work remotely.

- Open Enrollment forms should be submitted via mail or by completing the online retiree Open Enrollment form.
- Visit the City's [webpage](http://www.cityofsacramento.org/HR/Divisions/Benefits-Retirement/Retirement) dedicated to Retiree Benefits at <http://www.cityofsacramento.org/HR/Divisions/Benefits-Retirement/Retirement> for detailed 2023 health benefits information or to schedule a virtual one-on-one session with a team member for assistance.

- If you call the Benefit Services phone line at (916) 808-5665 you will be prompted to leave a detailed message and a team member will return your call. When leaving a message, be sure to state your first name, last name, call back number, and if you are a SCERS or CalPERS retiree.
- The City will not be offering Benefit Fairs or paperwork labs this year.

SPLIT PLAN ENROLLMENT

If enrolling/enrolled in a City medical plan and one enrollee is Medicare eligible and the other enrollee on your plan is not Medicare eligible, this is referred to as split plan enrollment. There are two options available for split plan enrollment:

1. Kaiser Senior Advantage \$20 copay plan with Kaiser HMO \$40 copay plan; or
2. UnitedHealthcare® Medicare Advantage PPO \$15 copay plan + either Sutter Health Plus or Western Health Advantage plan.

If split plan enrollment applies to you and you have questions about completing your form, please contact Benefit Services directly via telephone at (916) 808-5665 for assistance.

2023 UNITEDHEALTHCARE GROUP MEDICARE ADVANTAGE PPO ENHANCEMENTS

Personal Emergency Response System (PERS) – A device that provides quick access to help in any emergency 24 hours a day.

Routine Vision Enhancement – Routine eye exams available at \$0 copay, and the routine vision eyewear allowance will be provided every 12 months.

PROOF DOCUMENTATION REQUIRED IF ADDING DEPENDENTS TO BENEFITS

If you are adding dependents to your medical, dental, and/or vision plan(s) in 2023, you are required to submit proof of dependent eligibility to Benefit Services by November 18, 2022. Examples of required proof documentation include birth certificate, marriage certificate, or a legal document such as a court order. Proof documentation should be sent via mail to: **City of Sacramento, Benefit Services, 915 I Street, Plaza Level, Sacramento, CA 95814.**

ASSISTANCE WITH QUESTIONS AND COMPLETING FORMS

Otherwise, call Benefit Services at (916) 808-5665 to leave a message detailing the assistance needed and a team member will return your call as soon as possible.

PAYMENT OF PREMIUM

Out-of-pocket costs for your January 2023 health premiums, if applicable, will be deducted from your monthly pension check paid at the end of January or beginning of February 2023. **Pension checks**

received in January 2023 pay for December 2022 benefits. For CalPERS Retirees, out-of-pocket costs are deducted from your City retiree health contribution from lowest cost plan to highest cost plan. This order is usually vision, dental, and then medical if enrolled in all three types of coverage.

MEDICARE ELIGIBILITY

Each retiree and dependent must enroll (and maintain enrollment) in **Medicare Parts A & B** when eligible for Medicare. Upon initial enrollment, you must submit a copy of your Medicare card to Benefit Services. Medicare Part B, and sometimes Part D depending on your retirement income, has a premium associated with it. If those premiums are not paid, Medicare will drop your Kaiser Senior Advantage or UnitedHealthcare® Group Medicare Advantage coverage, and you will be disenrolled from your City-sponsored medical plan.

If you are not eligible to enroll in Medicare Part A, you must provide a Benefit Verification Letter from Social Security or Medicare stating that you are not eligible for or enrolled in premium-free Medicare Part A.

CASH-IN-LIEU

If you purchase an **individual** medical plan, you might be eligible to receive cash-in-lieu. The City will not reimburse group medical premiums (such as coverage through a spouse or another employer) or Medicare premiums—premiums must be for individual medical insurance to be reimbursable.

If you plan to receive cash-in-lieu in 2023 for your medical enrollment, mark the Cash-In-Lieu box on your form. You will then receive a separate communication via mail for completing cash-in-lieu paperwork for 2023.

I AM NOT ENROLLED ON ANY CITY HEALTH PLAN. WHY DID I RECEIVE THIS?

The City sends Open Enrollment materials to all retirees who have a mailing address on file and requests retirees complete the form and mail back to the City or use the online enrollment form option to submit your information.
