You must complete the registration process before you can respond to employer consent requests or access your driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. The instructions below are for a driver who holds either a commercial driver’s license (CDL) or commercial learner's permit (CLP).

Create a Login.gov Account
Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your email address and password on this screen, click **Sign In** and **go to step 10**.

**The FMCSA Drug & Alcohol Clearinghouse** is using login.gov to allow you to sign in to your account safely and securely.

**Are you FMCSA or State Driver Licensing Agency personnel?**

FMCSA enforcement and SDLA staff do not need to create a login.gov account to access the Clearinghouse. This includes staff from Departments of Motor Vehicles. Visit the Government User login

Once you have completed setting up your first authentication method, you will be prompted to set up a second authentication method. Register for the Clearinghouse

Once you have a login.gov account, you can complete your registration in the Clearinghouse. Follow the steps below.

Select your role (driver), and click Next.

If you are a self-employed CDL driver, do not register as a driver. You will need to register as an employer and, when prompted, identify yourself as an owner-operator (that is, an employer who employs himself or herself as a CDL driver, typically a single-driver operation). View the registration instructions for employers.

If you are unsure if you are covered by the Clearinghouse rule, see the box labeled “Are you covered by DOT Drug and Alcohol Testing Regulations?” and click Find out.
Enter your contact information and click **Next**. All fields are required unless otherwise noted. Your email address will be pre-filled with your login.gov username and cannot be modified.
Choose your preferred contact method:

### Preferred Contact Method

- **Email**
  Receive instant notifications when your information is updated in the Clearinghouse. Selecting this option will help you avoid unnecessary delays in responding to time-sensitive requests.

- **U.S. Mail**
  Letters will be sent via the United States Postal Service 3-4 business days after your information has been updated. Please allow two weeks for delivery.

If you select U.S. Mail, you will see a message asking you to confirm this selection. Keep in mind that notifications will include time-sensitive requests for actions you need to take in the Clearinghouse. Selecting U.S. Mail may result in delays in these notifications, which may impact your eligibility to perform safety-sensitive functions. Select either **Change to Email** or **Keep as U.S. Mail**.
Enter your current commercial driver’s license (CDL) or commercial learner’s permit (CLP) information. Click Verify. The Clearinghouse will verify this information against information in the Commercial Driver’s License Information System (CDLIS).

4. Commercial Driver’s License Information
Enter your current commercial driver’s license (CDL) information below. This information will be verified against your information in the Commercial Driver’s License Information System (CDLIS).

First Name: Sam
Last Name: Jones
Country: United States
State: Alabama
CDL Number: 1234567
Date of Birth: January 1, 1955
Once your CDL information is verified, you will not be able to edit it. Click Next.

If the Clearinghouse cannot not verify your CDL information, you will be asked to check that you entered it correctly. Make any necessary corrections and click Verify again. You will have two chances to enter this information.

If your CDL information cannot be verified, you will need to contact your State Driver Licensing Agency to resolve any potential issues. You may continue with your Clearinghouse registration, but you will not be able to review your driver record or respond to employer consent requests until your CDL information has been verified. You can update this information under “My Profile” in your Dashboard, once your Clearinghouse registration is complete.

To continue and complete your registration, click Next.
