

BANANA PUDDING FLUFF

INGREDIENTS

1 box 3.4 oz INSTANT vanilla or banana pudding mix
1 cup nonfat milk
1) 8 oz Cool Whip
3 cups mini marshmallows
3 cups Vanilla Wafers, broken into pieces
3 medium bananas, sliced

MY ADDITION

*1 banana, mashed
*I always whip a mashed banana into my pudding.
It makes it taste so much better.

INSTRUCTIONS

Whisk pudding mix and milk in a large bowl. Let sit
3 minutes to set.

Stir in Cool Whip. Then stir in marshmallows, cookies,
and sliced bananas.

Serve the same day it's made (bananas will turn brown
with age and cookies will soften).
