

H Allen Hight 4th “R” Intent to Register Form

Starting on August 27th, the 4th “R” may be providing licensed child care services from 7:00am-6:00pm on the six Natomas Unified campuses where our programs are currently located. Each site can have a maximum of 60 participants allowed in the program. The 4th “R” will operate as a hybrid program, which will include school support and recreation time.

For safety purposes, the children will be kept in smaller groups called “pods”. These pods will be grouped by grade so that the staff can provide specific grade based online support.

With the added COVID 19 health and safety protocols, participants who want to register must complete a monthly calendar prior to care that will designate the days and time their children will attend. Children will only be allowed to attend on the days and times listed on the monthly calendar. These calendars will be used to determine our program needs with staffing, supplies and how the pods will be grouped.

If you are interested in attending the 4th “R” in the fall, please complete the information below and email it to your home site Hight4thr@cityofsacramento.org . No forms will be accepted onsite and registration information will be given at a later date.
