SUPPLEMENTAL MATERIAL

For the Meeting of: August 1, 2019

Description of Change: Additional information for Attachment 4 – Crocker Village Park Name Survey Results

Staff report references an attachment (i.e., see Excel spreadsheet). The data was provided in the table in the staff report, so no spreadsheet was needed.

For clarification of the methodology of the survey results: IP addresses that submitted more than one vote were highlighted, and additional votes for the same name from the same IP address were removed. In cases where multiple votes were made with the same IP address for different park names, one vote for each name was kept.

4. Crocker Village Park Master Plan and Park Naming

Location: District 5

Recommendation: Pass a motion supporting the City Council’s adoption of the master plan for the neighborhood park located in the Crocker Village development; and recommend to the City Council the proposed park name for the park site
