

Tuolumne Trails is located on 80 beautiful acres of Sierra Nevada wilderness outside the mountain community of Groveland, California near the grandeur of Yosemite National Park.

2023 DATES: JUNE 19-23

Summer Camp “Access Leisure” is proud to provide an enriching summer camp to many young adults, and older, with cognitive, intellectual, and/or developmental disabilities. The Camp runs from Monday to Friday. Campers, together with their counselors, create a personalized experience based on the camper’s individual ability. Campers can choose from different structured activities, such as fishing, arts and crafts, nature walks, swimming, and other special educational outdoor hands-on activities. These activities will increase knowledge and skills learned through outdoor education and overall physical, leisure, and social capabilities. Each participant will develop basic skills and knowledge, along with attitudes to enjoy an outdoor camping experience, as well as fostering their emotional and social independence.

Cost: \$600.00
