

Bird house

Materials needed:

- empty cartons, washed and dried
- acrylic paint
- paint brush
- water
- paper towel
- nail or screwdriver
- string or yarn
- scissors
- bird seed

Instructions:

1. With help from an adult, use a utility knife to cut the sides out of a carton.
2. Place the carton on a protected surface and paint with acrylic paints. Let dry
3. Poke a hole into the top on each side of the carton with a nail or screwdriver.
4. Thread a piece of yarn or string through the carton and knot at the top to hang.
5. Fill with bird seed and find the perfect location outside to bird watch.
