

Neighborhood Engagement Strategy Talks (NEST) ▶

The City of Sacramento and the Sacramento Police Department are collaborating with the Department of Justice Community Relations Service (CRS) to launch NEST - a series of community engagement and problem solving dialogues to improve public safety in Sacramento.

We are looking for participants from diverse backgrounds who live in each Sacramento police district and are interested in learning about current police policies and concerns, providing feedback, and working together to address public safety concerns in the community.

How to Apply ▶

To represent the diversity of the Sacramento community, we are looking for residents from multiple distinct groups.

Applications will be considered on a rolling basis. The first session is **June 14, 2018.**

To be considered, please complete the form at <http://www.cityofsacramento.org/Police/Transparency/Neighborhood-Engagement-Strategy-Talks>

Participants must be:

Open to learning from one another

Prepared to research and ask questions on issues of concern

Committed to a process of collaborative problem solving & option creation

Between the ages of 18-25 if applying for a "youth" slot
