SCPRC RECOMMENDATION

GO 410.06 (Military Equipment Use Consideration)

SPD policy does not detail the limits of military equipment or munitions available for use in civilian settings.

Add specific language that prohibits purchase, acquisition, or usage of any military equipment or munitions prohibited by the Federal government in civilian settings.

SCPRC RECOMMENDATION RATIONALE

Specific prohibition of equipment not authorized by the federal government has been added (Policy Page 2 - C., 3.).

SPD RESPONSE

The federal government no longer maintains the list that serves as the basis for this recommendation.

C. MILITARY EQUIPMENT USE CONSIDERATIONS

3. SPD will not acquire any equipment, the possession of which by law enforcement agencies is prohibited by federal law.
