SCPRC RECOMMENDATION

GO 410.06 (Funding)

SPD policy allows the department to apply for funds prior to Council's approval under exigent circumstances.

Clarify in the language that this authority is only provided for public funds and not private sources of funding. Further specify that funding cannot be accepted until Council approval.

SCPRC RECOMMENDATION RATIONALE

Sometimes public funding might be made available with little notice. However, public funding usually also has parameters on how the funding will be used.

SPD RESPONSE

This has been removed from the 2023 policy. The following section has been removed:

I. MAINTENANCE OF MILITARY USE SUPPLY LEVELS

When stocks of military equipment have reached significantly low levels or have been exhausted, the Department may order up to 10% of stock in a calendar year without city council approval to maintain essential availability for the Department's needs. SPD is authorized to acquire additional stock of items listed here from other law enforcement agencies of CalOES in the event of an emergency when approved by the COP or designee.
