

Temporary Construction Parking Permit Application

Permit Requirements

1. The Temporary Construction Parking Permit must be clearly displayed on the vehicle dashboard.
2. A legibly written or printed notice identifying the address where the work is being performed must be clearly displayed on the vehicle dashboard.
3. Permits are issued to a specific individual or organization for a specific purpose. They may not be used for any other purpose, by any other individual or organization.
4. Only commercial plated vehicles may use the Temporary Construction Parking Permit.
5. Permits are issued for a minimum of one (1) month, at the rate of \$60 per month. Fees are not prorated. All fees are due at the time the permit(s) are issued. Lost, stolen or misplaced permits will not be replaced or refunded.
6. Temporary Construction Parking Permits shall be restricted for use at metered and time limited spaces only. Permits shall not be used in established color zones (yellow, white, blue or green zones), taxi stands, construction or special event zones, bus stops or where parking is otherwise prohibited.
7. Only original permits may be used. Photocopied or altered permits will not be recognized as valid and the vehicle will be cited.
