<u>Initial</u>	<p>1. Access Card Use: This access card authorizes one (1) electric vehicle (EV) to park in the City-owned parking garage(s) assigned to the access level selected. No definite space will be assigned nor will availability be guaranteed. The access card is for the sole use of the registered access card holder to park the registered EV and is non-transferable. Daily market rates will apply if card holder does not use the card for entry or exit. The access card must be used in sequence by scanning it at the entrance and then the exit. If access card is used out of sequence, it will automatically become inactive. No overnight parking allowed unless authorized by the Parking Services Division Manager. The City of Sacramento reserves the right to relocate monthly parkers to another City-managed facility in the event of overflow or space limitations in the garage.</p>

If all fees due are not received by the 10th day, the access card registered under the account will be deactivated until the account has been paid in full. All delinquent amounts plus a \$25.00 reactivation fee must be paid before the access card can be reactivated.
