## Attendance Guidelines

**PUBLIC COMMENT PARTICIPATION:** By participating in this meeting you acknowledge that you are being recorded. While speaking, please reduce any background noise to ensure that your comments can be heard. When not speaking please make sure your microphone is turned off. When you hear the item called that you wish to comment on, please wait for the Director to open the item for public comment. The moderator will call on speakers based on your raised virtual hand (see below), or when all microphones have been unmuted if you only connected by phone. Once you start speaking, please voluntarily state your name for the record and provide your public comment.

Anyone can access the Director hearing through the provided agenda online meeting link. We ask that you include your name during this registration or simply name yourself **General Public** if you are just listening in. This registration serves as our standard hearing check-in sheet and allows the Director to address you by name during the hearing if you wish to speak. We recommend and comments, questions, or concerns be emailed to the planner 24-hours prior to the hearing.

Once you have registered (with name or anonymously) and clicked "Join Now" the following screen will pop-up. ## Audio Connection issues:

Since these hearing are established as a web conference, your microphone will be automatically muted upon arrival. In some cases, you will need to select audio source in order to speak once your hand has been raised and the director allows public testimony for the associated item. In order to select your audio connection (microphone) click on the bubble with three dots at bottom of page (this may be hidden, so just hover over the bottom for it to pop-up), and select **Audio Connection**.

Once **Audio Connection** has been selected, a selection box will open up with three choices, select the one that best suits your needs. We suggest using the “**Call me**” if you are having problems as WebEx will call you at the number you have provided. If for some reason you cannot select **Audio Connection** because it is greyed out, don't be alarmed, the host will be double checking and assisting you thru the process either prior to the hearing or during the public comment period. Please make sure you raise your hand to speak as described above.

If you are still having issues with Audio we have also provided a “**Chat**” section right side window, where you can type your comments to the host who will in-turn relay them to the hearing officers.
